

SERVICES OFFERED BY FILAS

Created in 1975, FILAS is the company through which the region activates specific interventions for the promotion of technologically advanced services offered by the territory's small and medium-sized businesses. To re-launch the cinema and audiovisual sector, the company created the project

**Stefano Turi, FILAS
General Manager**

F.I.L.M.S. – Filming In Lazio Makes Sense – working to develop Lazio's audiovisual industry. This is done by promoting FILAS audiovisual instruments nationally and internationally, developing and supporting film co-production (which can tap into a fund of 17 million euros) and promoting the regional territory. Among its other tasks, FILAS manages the Fund for early VAT recovery, offering assistance and support on VAT issues to foreign producers operating in Lazio.
